SENTIRE CHE E' UN ATTIMO LA VITA...

Volver è l'espressione di un gruppo di artigiani che da oltre 35 anni lavorano nel mondo

del concetto realizzativo e costruttivo della scarpa da ballo.

Volver è la voglia di un cultore concettualista della scarpa da danza,

di comunicare il suo ritorno in una maniera graffiante e destinata a lasciare il segno.

Volver è tendenza. Il desiderare di tornare a calzare quel paio di scarpe.

Il culto di appartenenza ad una creazione che vi rappresenti.

L'essenza dell'indossare una parte di se stessi.
